

Industrial Revolution & the Age of Jackson Study Guide

Create detailed thinking maps of the following:

1. The Industrial Revolution. (In your answer, I should understand the impact of the era and how the factory system and interchangeable parts affected the way goods were produced)
2. The Supreme Court's expansion of federal power
3. The Monroe Doctrine
4. The Corrupt Bargain
5. The life and impact of Andrew Jackson (In your answer, I should understand all aspects of the man, from his upbringing to his thoughts on federal power, connection to the modern democratic party, protective tariffs, the nullification crisis, the national bank, Manifest Destiny, and Native Americans).

Explain the quote "To the victor belong the spoils" and how this relates to Andrew Jackson.

Create a graphic organizer showing the opinions of the North/Andrew Jackson and the South/John Calhoun regarding the Tariff of Abominations.

Explain how Andrew Jackson forced the "resettlement" of Native Americans.
